

Dear Pastor,

Greetings from Budapest! I want to take a couple of minutes to introduce you to Jonatan Andrasik from Dunakeszi, Hungary. After 15 years as missionaries to Russia, my wife and I moved to Budapest, Hungary in 2009. We met Pastor Ervin Andrasik, and his family. Brother Ervin and his son, Jonatan are both very humble men, and also very hard workers. They have done most of the remodeling work here at the church building. Upon our arrival here, we started a Bible Institute. They have been regular attendees ever since. We love to study the Bible together.

Jonatan is now married to Elisabeth Boles from Michigan. Elisabeth is Pastor Tim Boles's daughter, and they make a wonderful couple. Their daughter, Eszter was born last summer, and now they make a wonderful family.

After being ordained, last summer, Jonatan has started a church in Biatorbagy, and are doing well. Jonatan has been a real help to me, especially as a translator. He is a spiritual young man, and a good husband and father. I am expecting great things of them, through the Lord. Of course, Jonatan is working closely with me, and his Pastor and dad. We have a good working relationship! Jonatan is a hard worker, and the labourer is worthy of his hire.
